IMPORTANT INFORMATION

Convention Badges

Badges are issued upon registration. They are required for admission to all meetings, demonstrations, and social functions.

New England Supper

Hold Thursday evening. A delicious supper—a night of fun. Get your tickets early at registration desk. See program.

Exhibits

Commercial—Mezzanine. Meet your exhibitors—your friends. Get acquainted with their products, the latest in materials and equipment.

Educational—Ballroom Foyer. A room full of knowledge covering the fields of physical, health and safety education, recreation, and social service.

Information

Well informed persons are available at the Information Desk on the Mezzanine. Watch bulletin boards and posting of programs for special announcements. For lost and found articles, special tours, and general information, feel free to inquire.

Meetings

All meetings will begin promptly. Please cooperate with your chairman to help him to follow this procedure.

Press and Publicity

The Press Headquarters will be in Room 420. Chairmen of Meetings are requested to leave summaries of meetings at this room promptly.

Speakers' Headquarters

Chairman and presiding officers are urged to have all speakers report to Convention Headquarters upon arrival at their hotel. Room 421.

Registration

The Georgian Room—on the Mezzanine.

Things To Do

Register

Keep your convention badge visible.

Study complete program.

Be on time at all meetings attended.

Take time to examine all exhibits.

Become a member of your National Association.

Consult the Bulletin Boards daily.

Secure New England Supper and other tickets early.

Sign up early for any special features of the program at Special Activities Desk in Mezzanine.

Transportation

Taxi—easily available at Hotel entrance.

Airlines, busses, and trains—Inquire at Information Desk.

OUR NATIONAL ASSOCIATION

The A.A.H.P.E.R. is our National Professional Association and by far the largest association of its kind in the world. In 1885 the 49 pioneer members attending the first meeting called by Dr. William G. Anderson had a vision of greatness for the profession to which they were devoting their lives. This vision has in a large measure been achieved during the 64 intervening years.

Today's membership of nearly 20,000 is a far cry from the 49 pioneer founders. Why such growth in membership? Obviously, increasing numbers of professional workers have accepted the challenge to serve children, youth and adults in improving the nation's programs in health, physical education, and recreation. Mutual cooperation and democratic organization have been keynotes in this achievement—our A.A.H.P.E.R., the largest department of the National Education Association.

We have a "united" association. Every professional worker in health, physical education, and recreation can find a place to contribute. Have you found a place?

We have a "powerful" organization. With power goes responsibility. Our power depends on numbers, financial resources, and the devoted service of thousands of leaders in local communities. Are you a member of this team?

Have You Visited
YOUR NATIONAL OFFICE EXHIBIT?
Location: Ballroom Foyer, Mezzanine Floor

You'll find:

1. **Exchange-Placement Service Table.**—Are you interested in a position? Are you wanting to employ someone? Need a copy of approved Teacher Placement Agencies? Interested in foreign professional institutions, summer camp positions, 1949 summer courses, 1949 summer tours or trips? Interested in employment possibilities in closely allied professions, e.g. civil service?

2. **"Journal" and "Research Quarterly" Display.**—Have you ever seen how a "Journal" is produced? Do you know how articles are approved for publication? Ever see a galley?

3. **Membership Exhibit.**—Did you ever wonder how 20,000 membership plates are processed? Why your "Journal" reaches you late? How can you help expedite the receipt of your "Quarterly"?

4. **A.A.H.P.E.R. Publication Sales and Display.**—Are you familiar with the publications of your professional association? Have you examined the latest publications? Is there a publication you want to purchase? Have you a copy of the latest publication lists?

5. **Pictorial Exhibit of Washington Staff in Action.**—What facilities and equipment does your A.A.H.P.E.R. have in Washington? Have you seen the headquarters staff? How does the Washington staff serve you and your profession?

6. **Display of Recent Publications in Health Education.**—Would you like to examine copies of recent publications in school health education? Have you a copy of the names and addresses of state directors? Would you like to schedule an appointment with Dr. Elizabeth Avery, Health Education Consultant, to discuss your professional problems?

VISIT THE CONVENTION EXHIBITS

The exhibits of books, materials, educational tools, and equipment at the Convention are recognized as most valuable and helpful. They provide opportunity for the delegates to examine many things that are offered for use "on-the-job," to gain new ideas, to make helpful comparisons, and to discuss uses and applications with technical and professional experts.

This year's convention exhibits are most elaborate and colorful. Few exhibits at professional association meetings are more extensive or have as many participants. The cooperation of the firms and

organizations represented and of the A.A.H.P.E.R. Associated Exhibitors is recognized with appreciation by all who attend the convention.

HEALTH EDUCATORS!

You will want to see the display of current school health education materials produced by State Health and Education Departments. These materials are part of the National Office exhibits in the Ballroom Foyer.

Your national professional organization, the A.A.H.P.E.R., renders service through its headquarters staff, divisions, sections, conventions, publications, and committees. Your association is carrying forward an important program for you in cooperation with local, state, and district associations, and affiliated organizations.

Get your membership blanks from the registration desk or the membership table.

We have a "democratic" organization. Each member helps to elect the representatives who determine policies, choose officers, and plan budgets. Democratic leadership is welcomed and encouraged. Have you investigated our constitution?

We have an "independent" organization. We are prepared to cooperate with all groups in American life without being subservient to any of them. Have you noticed the increasing number of professional projects sponsored by the A.A.H.P.E.R.?

We have a "professional" organization. We strive to better programs and services for America's children, youth, and adults in all educational efforts and specifically in the allied areas of health, physical education and recreation. Don't you want to do your part?

Although progress has been made by the A.A.H.P.E.R., we have a long way to go. Many professional problems need investigation. An estimated 40,000 additional members still are not an integral part of our family group. Potential members must be approached. Increased moral, professional, and financial support must be secured in our profession which has demonstrated a record of achievement, possesses such vast opportunities for service, and offers now the greatest challenge in its history.

Join your National Association at the Registration Desk! National membership gives membership in your District Association. Make it your A.A.H.P.E.R. by **Joining Today!**

The National Association is sixty-four years old, the most altruistic of professional agencies, and it will continue its beneficial activities long after all of us have passed from the scene of action. It is our obligation to be active in its service.

COMMERCIAL EXHIBITS

Exhibits are located on the Mezzanine. Delegates and visitors are urged to visit these exhibits and become acquainted with the representatives of these cooperating firms and agencies. These exhibitors have proven themselves to be loyal friends and boosters of our profession. Let us show them our appreciation by visiting their booths and becoming better acquainted with the exhibitors and the product they offer.

ALDRICH AND ALDRICH, INC.—Booth No. 25

CHICAGO, ILLINOIS

Represented by: M. B. Aldrich and F. W. Holder

"Designer and manufacturers of gymnasium costumes including tunic suits, one-piece suits, shorts and blouses—also dance costumes, tank suits, and warm-up suits—complete school outfitters."

THE C. V. MOSBY COMPANY—Booth No. 31
ST. LOUIS—SAN FRANCISCO

Represented by: F. A. Volk and P. F. Cawley

A cordial invitation is extended to visit Booth No. 31, where Mosby publications will be displayed. New to this year's A.A.H.P.E.R. convention are O'Keefe-Fahey "Education Through Physical Activities" and Means "The Organization and Administration of Intramural Sports." Three new texts scheduled for early publication are Voltmer-Lapp "The Intramural Handbook," Hicks-Griffin "Golf Manual for Teachers," and Voltmer-Voltmer "Manual for Athletes." Your inquiries are welcome.

A Cordial Welcome to Boston!

Here in the friendly atmosphere of "The Hub of the Universe," we assure you that the warmth of our hospitality will enhance the joys and accomplishments of your 54th annual convention.

Bostonians—and New Englanders generally—are friendly people who live in an area generously endowed with natural blessings and enriched by cultural and historical institutions and traditions. We are grateful for these possessions, and we are happy to share them freely with such guests and friends as you.

Enjoy, then, to the full the broad, rich opportunities that Boston offers in schools and colleges, in health and medical centers, in varied recreational facilities, and in famed historical shrines. From these and from your convention associates, may you take inspiration, knowledge, and a renewed pride in our nation and in the part you are playing to build strong, healthy citizens endowed with the physical and spiritual strength to maintain and advance such glorious institutions and traditions as Boston harbors.

A hearty welcome to all of you. May your meeting here be both fruitful and memorable.

DENNIS C. HALEY,

Superintendent of Boston Public Schools,

Honorary General Chairman.

Educational Exhibits

N.A.P.E.C.W.**

9:00 a.m.-12:00 m.

Boston University Institute in Physical Education.

Honoring the Memory of Dr. Dudley Allen Sargent.

(This year Boston University has dedicated its annual Founders' Day exercises to Physical Education and especially to the memory of Dr. Dudley Allen Sargent. It has done this in recognition of a two-fold anniversary: the year 1949 marks the 100th anniversary of the birth of Dr. Dudley Allen Sargent and marks also the 20th anniversary of the adoption of Sargent School by the University. Under the by-laws of the University, Founders' Day must fall on March 13 or the nearest Monday thereto. Ordinarily, the Institute would be held concurrently with the Founders' Day. Because of the coming of the Convention of the American Association for Health, Physical Education and Recreation to Boston this year, the annual celebration has been divided into two parts. Founders' Day exercise is on March 14, but the Institute is on April 18, thus enabling members of the Convention to participate in the program.)

Topic: "Current Problems and Issues in Health, Physical Education and Recreation."

Place of Meeting: Boston University, College of Physical Education for Women, Sargent, 6 Everett Street, Cambridge 38, Mass.

Presiding Officer for the Institute: George K. Ma-
kecknie, Dean, Boston University, College of Physical Education for Women, Sargent.

New England Folk Festival.

Saturday and Sunday afternoon and evening at
Y.W.C.A.

DO WE DARE DO LESS?

Our local associations, like our careers, our homes, our lives—are what we make them.

Nothing great was ever achieved without enthusiasm; nor was anything lasting or important accomplished without some struggle and sacrifice. Let us attach importance not only to what we get, but to what we give. We all are standing on the shoulders of teachers who have traveled the hard road before us, who have suffered and sacrificed to carry our profession where it is today. Do we dare do less than they?—Paul W. Goulding.

For over sixty-three years the National Association, serving as a clearing house for health, physical education, and recreation problems in America, has been the means of focusing the attention of schools, colleges, universities and many related agencies upon the need for and importance of good health and well being. It has worked to determine needs, plan adequate programs, train leaders, raise standards of service and leadership, and has put its energies and resources behind all worthwhile developments and movements for health, physical education, and recreation. It has served as a unifying force for all who are working through the field to make life in America that for which our country has fought, a rich, a healthful, an abundant and joyous experience. It deserves the loyal and constant support of every professional worker in America.

1949 OFFICERS

American Association for Health, Physical Education and Recreation

Ruth Evans	Public Schools, Springfield, Massachusetts	President
Carl L. Nordly	University of Minnesota	President-Elect

Acknowledgments

APPRECIATION IS EXPRESSED:

To the Boston School Committee, Superintendent Dennis C. Haley, Business Manager Henry J. Smith and Assistant Superintendent Frederick J. Gillis for their cooperation in all convention activities.

To Mayor James M. Curley for his luncheon to the Representative Assembly and Local Convention Committee.

To Mr. Fred Potts and Walter Carney of the Hotel Statler and their staffs and James Morrison of the Convention Bureau for their valuable assistance and cooperation.

To Adjutant-General William Harrison and Colonel Daniel Murphy for the use of the 101st Infantry Armory.

To the Fine Arts Department of the Boston Public Schools, especially Miss Grace Aznive of Roslindale High School and Paul Hamlet of the Senior Class for the cover design of the official program.

To the Music Department of the Boston Public Schools, especially Miss Elizabeth Ann O'Brien, Music Supervisor of the Boston Teachers' College, and her students for their program at the Opening Session.

To Mr. Elmer M. Hintz, Conductor, and the Hartford Senior Inter-High Choir for their program at the Closing Session.

To the pupils of the Mather School, Dorchester, and their supervisor, Clare L. Ennice, for their participation in the Elementary and Public School Section Meeting.

To the students of Springfield College, Boston University, Sargent College and Bouvé-Boston School of Physical Education for their cooperation during the convention.

To the members of Phi Epsilon Kappa, Alpha Zeta Chapter, of Boston University.

To the Boston Park Department and Commissioner John Murphy.

To the National, Eastern District, and Massachusetts State Officers.

To Carl Troester, Orin McCarley and Mary Wibel of the A.A.H.P.E.R. Washington staff for their advice, patience and guidance.

To the most loyal and cooperative Local Convention Committee a Convention Manager could have.

To my Assistant Directors, the members of the Department of Physical Education and my incomparable office staff for their untiring efforts during the past year.

To the many friends and associates whose names do not appear on the program, but who gave valuable assistance.

JOSEPH MCKENNEY,
Convention Manager.
